Recently, I received a call from a brother in Christ who lives in another town. He was very excited to tell me that he has been praying for us and that God has shown him that we are headed toward REAL REVIVAL! Now that's really GOOD NEWS!

Three years ago this month we began daily prayer meetings asking God to revive Oak Street. We haven't had huge numbers of people coming to pray (honestly, I didn't expect that) but those who have come have prayed for heaven-sent, God-glorifying revival to take place. Daily, fervent prayer has "gone up" and we are asking God to "come down" in glory and power!

I heard a song the other day that basically said, "Revival is arrival." When God "arrives" at a church, that church will be revived! When will that take place? I'm not a prophet (as such) but I believe the spiritual signs are around us and that God is going to "arrive" very soon!

Please join those faithful prayer warriors (we meet every morning at 7 A.M.) in praying, asking, and interceding for revival! Remember, when God "arrives" His people will be "revived"!!
